

UFF Fibre Pro - Speedboost Offer Terms and Conditions

Offer Details:

This exclusive offer provides a 3-month free speed boost to the Ultra-Fast Fibre Pro speed tier (up to 950/500Mbps nominal access line speed) to selected MyRepublic residential customers with an active Fibre 100/20Mbps service in a UFF (Ultra-Fast Fibre) area at your current monthly plan fee.

Promotional Period: 20/12/2017 - 20/03/2018.

Prior to the end of the promotional period, MyRepublic will contact customers via direct mailers with the opportunity to upgrade their service to Fibre Pro 950/500Mbps plan after the promotional period or to return to their Fibre 100/20Mbps plan.

Eligibility:

This exclusive offer is available to selected MyRepublic residential customers currently on the Fibre 100/20Mbps broadband service in a UFF (Ultra-Fast Fibre) area.

Broadband Line Speed:

The download and upload line speeds stated above are the maximum theoretical line speeds that can be delivered over the connection. MyRepublic makes no guarantees of any kind on the actual speeds that will be achieved by any individual user as we rely on our supplier to ensure services are provisioned to deliver optimum speeds at all times.

Speeds that customers experience on these services are affected by a number of factors such as the upload speed of the content being downloaded, the hardware, software, and software configuration.

Devices connected by Wi-Fi may experience slower speeds than those connected by Ethernet cable. MyRepublic reserves the right to amend these terms and conditions in any way up to the expiry of this Offer.

End User Terms:

Your [Local Fibre Company \(LFC\) End User Terms](#) and [MyRepublic General Terms and Conditions](#) apply to this Offer.
