

## Information About the Service

This is a residential internet service available on VDSL and Fibre connections in selected areas. This service comes standard with a Static IP address.

The service has the following options:

- Optional Home Phone using Voice over Internet Protocol (“VoIP”) that allows you to make and receive calls using an internet connection.

**Bundling requirements:** MyRepublic does not require that you bundle this service with any other service.

**Minimum service term:** Month to Month or 12 month contract.

**Equipment:** You may purchase a MyRepublic modem router or have a modem router supplied as part of your plan. The applicable charge to have a modem supplied is specified in the table on page 2. To use the phone service, you will need to provide your own compatible handset.

**Limitations & qualifications:** This service is available to new residential users, is a residential grade service & is only available in selected areas. There may be technical or commercial reasons that affect our ability to connect a service at your address.

The broadband and home phone service requires power to work and will not function in the event of a power failure or any other disruption to the power supply (including calls to '111' emergency services). This service is not suitable for customers who require an uninterrupted phone line. If you require to use this service with a medical or home alarm systems you should check with the provider if your services will work with MyRepublic's Fibre Gamer service.

**Installation:** You may require a technician appointment to have your service installed. You must obtain permission from the owner of the property (if this is not you) and be over the age of 18. Standard installation is included with all orders. There may be additional charges for internal wiring if required.

**Connection fee:** MyRepublic does not charge a service connection fee for customers who are transferring a service or activating a new service from another ISP.

We may need to install or connect Equipment at your premises in order to supply the Services to you.

Installation or connection may be carried out by us, our authorised contractors, and/or the Wholesaler. We will arrange a time with you for installation or connection to take place.

Further information on the installation process is set out in the relevant [Specific Terms & Conditions](#). Unless stated otherwise, you will be responsible for paying any Non-Standard Installation Costs. Any Installation Costs will be agreed with you before connection or installation commences. Unless stated otherwise, you will be responsible for paying any Installation Costs. Any Installation Costs will be agreed with you before connection or installation commences. [View charges](#).

**Broadband line speed:** The fastest network profile available on a Fibre connection is Fibre 950Mbps. This is up to 950Mbps download and 500Mbps upload on a wired connection. The fastest network profile available on a VDSL connection is VDSL 70Mbps. This is up to 70Mbps download and 10Mbps upload on a wired connection.

Any stated speeds represent the theoretical maximum speeds at which you are able to send or receive data over your Local Fibre Company (LFC)'s network for Fibre services or over the Chorus network for VDSL services. The actual speeds or latency you experience may vary depending on factors such as the equipment you use to access the Services, your device's capability, and the number of customers accessing the Services in your area. Other factors may influence the particular speeds or latency you can achieve to servers nationally and internationally. Our control of these speeds is limited to our own network. Connections to servers outside our network are on a “best effort” basis.

## Information About Pricing

**Minimum monthly charge:** The minimum monthly charge for these plans on a 12 month term are: VDSL Gamer, Fibre Gamer 100 and Fibre Gamer 200 - \$84.99 per month or Ultra-Fast Fibre Pro Gamer - \$109.99 per month. You pay an additional monthly plan fee for any Value Added Services or calls which are not included in your plan.

**Early Termination Fee (ETF):** Customers on a 12 Month term will be required to pay a maximum ETF of up to \$240 if the service is terminated during the minimum service term. The ETF will be pro-rated by the number of full months remaining in the minimum service term (equating to \$20 per month remaining).
