## 3. Terms and Conditions

- A Visa Prezzy® Card, loaded to the applicable value stipulated above, will be sent to you (at the New Zealand delivery address specified by you during sign-up) after the first month's invoice for your Eligible Plan has been paid in full.
- The Visa Prezzy® Card will need to be activated before it can be used. We will provide an activation code to your registered email address and/or mobile phone number to activate the card before it can be used.
- The Visa Prezzy® Card is not transferrable or redeemable for cash or account credit.
- If you sign up to a Fibre Pro plan, we may offer you the option of an interim VDSL connection while you wait for the Fibre Pro plan to be activated at your premises. If you take that option, a Visa Prezzy® Card, loaded to the value of \$100, will only be sent to you after your Fibre Pro plan has been activated and the first month's Fibre Pro invoice has been paid in full. If you are unable to connect to the Fibre Pro plan through no fault of MyRepublic (for example, if any third party consents that are required to activate fibre services at your premises are declined) and you continue with a VDSL plan on a 12-month term, then we will send you a Visa Prezzy® Card loaded to the value of \$50 after the first month's invoice for your VDSL plan has been paid in full.
- If you terminate your Eligible Plan before the end of your 12-month minimum service term, an Early Termination Fee of up to \$240.00 will apply.
- Visa Prezzy® Card Terms & Conditions apply.
- These Promotional Terms and Conditions apply in addition to MyRepublic's General Terms & Conditions and Residential Broadband Terms & Conditions.
- The promoter is MyRepublic Limited.
