3. Terms and Conditions

- New Customers: A new customer is defined as any individual who is not an existing registered MyRepublic residential broadband customer at the time of subscribing to their selected Eligible Plan.
- The speed available on your fibre broadband connection for your fibre broadband plan is up to 100mbps download speed and up to 20mbps upload speed when you are on the 100/20 fibre plan. For the 200/20 fibre plan (Enable UFB area) this is up to 200mbps download speed and up to 20mbps upload speed.
- The Offer is subject to change by MyRepublic without notice and is not valid in conjunction with any other offers.
- If a customer chooses a router as part of the Offer, the selected Wi-Fi router will be shipped to the address provided by the customer (at the time of their subscription) once a fibre connection is established.

- The router can be purchased either by upfront payment or monthly payment plan.
- Ownership of any router we supply will remain with MyRepublic until the customer has either completed their 12-month contract (with no money owing) or paid for the router upfront, at which point ownership of the router will transfer to the customer.
- Promoter: The promoter is MyRepublic Limited.
- These Promotional Terms and Conditions apply in addition to [MyRepublic's General Terms & Conditions and Residential Broadband Terms & Conditions, and the Local Fibre Company \(LFC\) End User Terms](#).
- An [Early Termination Fee \(ETF\)](#) may apply if you terminate your Eligible Plan before the end of your 12-month minimum service term. ETFs are graduated (i.e. they reduce over the term of the contract). The applicable ETF depends on the selected Eligible Plan and router, and the amount that has already been paid upfront/monthly for the router, as per below, as per below:
 - Fibre 100 /Fibre 200 with no Router - ETF up to \$120.00
 - Fibre 100 /Fibre 200 including Technicolor Hub+ - ETF up to \$240.00
 - Fibre 100 /Fibre 200 including D-Link EXO 882 - ETF up to \$360.00
 - Fibre 100 /Fibre 200 including D-Link COVR - ETF up to \$480.00

For clarity, the ETF for customers who have selected routers on a monthly payment plan will be inclusive of the outstanding router charge sum and after full payment then the ownership in the router will transfer to the customer.
