

Terms and Conditions

Chorus means Chorus Limited, or any related company (as that term is defined in the Companies Act 1993) of Chorus that is responsible for connecting and installing VDSL or fibre Services at your premises.

Chorus is one of MyRepublic's Fibre providers and offers the fastest fibre products within the New Zealand market with their FibrePro (1Gbps) and HyberFibre (up to 4Gbps).

Standard Fibre refers to Fibre100 with speeds up to 100Mbps. MyRepublic's FibrePro product offers speeds up to 1Gbps which is up to 9x faster than our Standard Fibre plans.
