

Offer Summary: 3 Months ½ Price

Promotional Information

Availability: This offer is available Fibre Pro, VDSL, Fibre 100 and Fibre 200. Product information can be found in the Product Summary. This is a residential internet service available to new customers.

Offer Period: The Offer is valid from 17th June 2019 until 31 August 2019 and is subject to change by MyRepublic without notice. The Offer is not valid in conjunction with any other offers.

Bundling requirements: MyRepublic does not require that you bundle this service with any other service.

Minimum service term: 12-month contract

Minimum monthly charge: The minimum monthly charges are specified in Page 2. You pay an additional monthly plan fee for any Value-Added Services, Routers or calls which are not included in your plan.

Changing plans: You can change your plan during your contract term provided you move to a plan with the same or higher monthly plan fee. If you change your plan to a lower monthly fee during your contract term an ETF may apply, and any hardware repayments will remain the same

Early Termination Fee (ETF): Customers on a 12-month term will be required to pay a maximum ETF of up to \$240 if the service is terminated during the minimum service term.

The ETF will be pro-rated by the number of full months remaining in the minimum service term (equating to \$20 per month remaining). Customers may cancel their service at any time by contacting Customer Service. The cancellation of the service will take effect from the start of the next billing period.

Information About Wi-Fi Router Pricing

The applicable charge to have a modem supplied plus postage and handling charges is specified in the table on page 2.

If a customer chooses a router as part of this Offer, the selected Wi-Fi router will be shipped to the address provided by the new customer (at the time of their subscription) once a fibre connection is established.

Ownership of any router we supply will remain with MyRepublic until the customer has either completed their 12-month payment plan (with no money owing) or paid for the router upfront, at which point ownership of the router will transfer to the customer.

Upfront payment for Wi-Fi routers: Your router plus P+H is invoiced as a one-off charge before service activation.

Monthly payment for Wi-Fi routers: The first monthly payment plus P+H is invoiced before service activation. If Customers elect to terminate early the 12-month plan then the outstanding router charge shall be payable in full at the next billing cycle.
